

Dear Pappas Kids Partner,

Thank you for kindness and generosity in helping us to make a meaningful impact in the lives of children from homeless and underprivileged families. Your continued support is making a difference by allowing us to provide a solution to many of the obstacles that prevent children from learning.

The Pappas Kids Schoolhouse Foundation gives financial support to schools that serve disadvantaged youth and assist with the educational, social and family needs of their students. We have broadened our scope to serve more children in Arizona who, like our former Pappas students, were in need of our help. Many schools today serve homeless and underprivileged youth. We are proud to work with Title I and Title I eligible schools to provide their students with an opportunity for a positive, safe and quality educational opportunity. We believe education is the way for these students to break the cycle of poverty and homelessness. The Pappas Kids Schoolhouse Foundation is proud to be a part of the solution.

We are extremely grateful to all of our donors who give so graciously for these children. We realize the economy has affected many, so we value each of you and your generosity. Lift your heart ♥ by continuing to support these wonderful students. Share your gift with the Pappas Kids Schoolhouse Foundation and we will see to it that these programs continue. Thank you for believing in our mission to provide hope and dignity to disadvantaged youth in Arizona. We appreciate that you are a "Pappas Kids Partner".

Thank You!
