

**Please help Pappas Kids collect items that will provide “positive incentive” to Arizona’s homeless and underprivileged youth in the classroom!**

Students experiencing homelessness may often times have high levels of depression, anxiety, and low self-esteem due to the stress of being homeless and in a constant state of instability.

- **Reinforcing positive behaviors by providing student achievement incentives has proven to be a successful tool for teachers and caseworkers working with homeless and underprivileged youth.**
- **These incentives help encourage these children to continue working towards and obtaining academic goals, timely assignment completion, passing or improving grades and helps improve their self-esteem through recognized accomplishments!**

We are collecting the following items to assist with providing classroom incentives to the students, schools, teachers and caseworkers that we work with.

- **\$5-\$20 Gift cards to retail stores (Example Wal-Mart)**
- **\$5-\$20 restaurant cards (Example McDonalds bucks)**
  - **Movie Passes to AMC or Harkins Theatre**
- **Prize box items such as small toys, stickers, candy (Example Party favors)**
  - **Certificates for local activities (Example Museum Passes)**
  - **Small stuffed animals, keychains, bookmarks, new books**
  - **Hair ties, headbands, accessories, rings, nail polish, bubbles**
  - **Toy cars, balls of all sizes, puzzles, coloring books, crayons**
    - **Sidewalk chalk, Play-Doh, Themed pencils,**
