

Our Mission

The Pappas Kids Schoolhouse Foundation helps low-income, homeless and at-risk youth in Arizona schools succeed and grow in a positive educational environment.

With your generous support we have seen lives change...

Over 7700 scholarships provided to homeless, underprivileged and at risk students. Since 2007 Pappas Kids has awarded over \$15.5 million to those who could not have afforded a private education. The support you provide has made a life changing impact to these children and families by giving them a “choice” in their education. Your continued support has opened doors of opportunity for these students. You have increased their chances of pursuing post-secondary education and having higher occupational aspirations.

Did you know?

Arizona Private School Tuition Tax Credit Law, A.R.S. Section 43-1089 allows individuals to redirect their state income tax to school tuition organizations that provide scholarships to private-school students in Arizona.

Here's how it works.

Donors control how their tax dollars are spent and children receive a quality, private education to the school of their choice. Thanks to the 2012 Overflow/PLUS (Private Learning Uplifting Students) tax credit, donors can claim an additional tax credit over-and-above the original tax credit.

- Individual taxpayers are allowed an annual credit up to \$1,243
- Married taxpayers filing separately can donate up to \$1,245 individually
- Married couples filing jointly are allowed an annual credit up to \$2,483
- Donors must first meet the \$623 (single) or \$1,238 (married) Original Tax Credit Program maximum in order to claim the Overflow/PLUS tax credit.

By simply participating, individuals will reduce the amount of tax money they owe to the State or increase the amount of their refund, dollar-for-dollar. Please note that this contribution may be eligible for a federal deduction. Consult your personal tax advisor on this matter.

Thank you for your support and believing that every parent deserves the right to choose the education that is best for their child.

Contribution Deadline: April 17th 2023. Pappas Kids Schoolhouse Foundation is a state of Arizona qualified Student Tuition Organization permitted to receive these tax credit contributions and award scholarships to economically disadvantaged students.
