

Real Kids. Real Futures.♥

Because of supporters like you, children facing homelessness, poverty, and hardship have access to safer schools, stronger futures, and real opportunity.

"Every child deserves a safe, supportive school, regardless of income or zip code."

Our Mission

To support low-income, homeless, and at-risk youth by partnering with schools that serve disadvantaged communities. We work to remove barriers created by homelessness and poverty so students can thrive and become productive, successful members of society.

Why It Matters

Arizona's tax credit program allows you to redirect a portion of your state income taxes, dollars you already pay to provide scholarships for vulnerable children. It doesn't cost you more, but it can mean everything to a child.

A school tuition organization cannot award, restrict, or reserve scholarships solely on the basis of donor recommendation. A taxpayer may not claim a tax credit if the taxpayer agrees to swap donations with another taxpayer to benefit either taxpayer's own dependent.
